Scholarships

Mather seniors are busy completing this year's application for the Mather High School Alumni Scholarship. Last year we received 36 applications, all from very worthy applicants. With such a large number of applicants making a final decision was quite a challenge. We expect to receive the same number this year.

Through the 2014 annual appeal we were able to raise 50% of the amount needed to fund this year's scholarship plus a small number of smaller awards. **Thank you to everyone who donated! It is not too late to donate for this very worthy cause.**

Thank you!

The Mather High School Alumni Fund deeply appreciates the donations made by classes following their reunions this past year. These donations were monies remaining once their celebrations were over and helped us to raise the \$8,000.00 needed for last year's full scholarship.

We ask future reunion committees to please help us by donating their extra proceeds to support this year's full scholarship.

More reunions?

Let us know about your reunion plans. We can help! We are able to send e-mail bursts to your classmates to recruit volunteers, announce your reunion, provide information so they can purchase tickets, and more.

Click the YouTube button and meet some of the Mather students your donations have

supported in our scholarship program.
